JULY 2019

Golf Shop Hours: Monday - Sunday 6:30 am-6:30 pm

We hope everyone is having a pleasant summer. You are probably staying busy with travel, the beach and entertaining visitors but, we hope that you will make some time for golf as well. With the kids out of school, although it's hot, summer is a great time to enjoy our favorite game with our kids and grandchildren, whichever the case may be. Take advantage of the great afternoon rates and get some family out to the course. Also, we are still selling the PM memberships which are a fantastic deal and a good way for someone to see if a Club membership would work for them. If you need some information, check with the shop staff.

Our course maintenance staff has been working hard on the course for the last couple of months and it really is showing nicely. The greens are rolling great and the fairways have become much fuller. They are currently working hard to grow in the new greens on holes 11 and 18. We are expecting to open the new greens on Friday August 23rd. The next time you're out playing and see one of the maintenance staff, take a moment to let them know you appreciate their efforts.

We are planning on having a social this month on Saturday the 27th from 6pm til 8:00pm. We will have some informative flyers posted around the clubhouse or you can ask a staff member for some details. We will have some food for everybody and a bar open with happy hour prices. We will be inviting Club members for sure but, our non-member customers are also invited. Please, come out and meet some new people, enjoy the food and drink and share some time with some people that have at least one common interest with you...Tanglewood Golf Club.
